CONTRACTING AUTHORITY'S CLARIFICATIONS No. 2

“Purchase of Tube wall system for flood protection”

Publication ref.: HUSRB/1601/11/0004

No.	Question	Answer
1.	<p>With regards to the above tender for the supply of Tube Wall Flood Barrier, we have a query regarding the product specification: The technical specification provided is very detailed and specific. Is there a specific make of Tube Wall Barrier required for this tender? Or, alternatively, are we allowed to submit a tender for:</p> <p>An alternative but similar specification of tube wall barrier?</p> <p>An alternative modular temporary flood barrier system i.e. which meets the flood protection requirements but is not a tube barrier filled with water?</p>	<p>We would like to inform you that all requirements and technical specifications are stated in Tender dossier published.</p> <p>Tender Dossier is available on Europe Aid website on the following link: https://webgate.ec.europa.eu/europeaid/online-services/index.cfm?ADSSChck=1553613125381&do=publi.detPUB&searchtype=AS&zge0=35645&ccnt=7573878&debpub=&orderby=upd&orderbyad=Desc&nbPubliList=15&page=1&aoref=140197</p> <p>In addition, it can also be downloaded from the website of the contracting authority.</p> <p>We would like to mention that supplies which are subject of this tender (Tube wall system for flood protection) are defined in the Subsidy Contract as one of main</p>

		documents in the Interreg – IPA Cross border Cooperation Programme Hungary – Serbia Programme (Interreg - IPA CBC Hungary- Serbia) and this definition cannot be changed in the tender procedure.
